EVENT NOTICE

PrintPack+Sign 2020: THE VIRTUAL EDITION

Singapore, 8 June 2020

The organiser, Sphere Exhibits Pte Ltd, a wholly owned subsidiary of Singapore Press Holdings (SPH), has decided to present the Singapore Gifts & Premiums Fair, Office Expo Asia, and PrintPack+Sign events **virtually** this year due to the COVID-19 pandemic.

The shows which were originally scheduled for 15 - 17 July 2020 will be held from **28 - 30 October 2020**.

This 3 day live virtual exhibition will allow exhibitors to promote their company and products, drive leads, create awareness and generate revenue in return. Travel restrictions, health safety during this pandemic will no longer be a barrier because international and local buyers can engage with exhibitors through live chats, video calls, webinars, business matching, and arrange online meetings from the comfort of their own office or home.

The shows are a 3-in-1 mega sourcing event showcasing corporate gifts, office and printing, packaging, signage, and labelling solutions all under one roof.

About SGPFair

Singapore's pioneer and most established trade show showcasing promotional, corporate, incentive and retail gifts. Congregating the finest names in the industry, it will showcase thousands of new and innovative products providing attendees with a huge variety of choices and inspirational ideas.

About OEA

The 360-degree event for all office elements. It's 4 focus sectors are: Workspace Design, Business Automation, Office Essentials, and HR & Wellness. Discover how the office becomes an experience, adding value to people & businesses with exhibitors showcasing sustainable, flexible, and efficient solutions.

About PP+S

The only printing, packaging, signage, and labelling show in Singapore. For printers, print buyers, sign-makers and all end-users, look forward to meet exhibitors showcasing 3D printing, Forest Stewardship Council (FSC) certified paper merchants, recyclable, compostable or reusable packaging materials, and printers offering soy-based ink options which emit fewer volatile organic compounds.

Admission is free and for trade and corporate visitors only. Visitor registration will reopen soon.
